You are also invited to apply for a Community Impact Award, which will be awarded to one exceptional charity from the 2026 successful grant applicants. All applicants to the Leadership & Mentorship grants and the Arts & Culture grants are encouraged to apply. This award will be awarded in an amount of up to \$40,000 and is being awarded this year to spur one deserving charity forward in achieving its goals.

The recipient of this award will be a charity which, in the opinion of the Kiwanis Club of Toronto Foundation Board, will create the most significant impact in their organization and the community through new and innovative programming with the funds received from the Community Impact Award.

Funds cannot be used for programming that has already taken place or costs that have already been incurred.

Tell us what your organization will do with the funds received from the Community Impact Award (CIA), and the effect that the CIA will have on your organization and the community through new and innovative programming. Please reflect on how these funds will advance your organization's mission. 250 words

Outline specifically how the CIA will be used (salary, operations, and capital are eligible). Indicate the total project budget and how the rest of the project will be funded if the total budget is greater than the award. 250 words
